## CONDITIONS ATTACHED TO THIS AUTHORISATION

1. This authorisation is valid for multiple consignments and the net weight per consignment must not exceed 60kg.
2. The products must remain in their original wrapping at all times until their arrival at The Hospital for Small Animals, The Royal (Dick) School of Veterinary Studies, The University of Edinburgh, Easter Bush Campus, Midlothian, EH25 9RG.
3. The consignment shall be taken directly from the airport/port of entry to the above address.
4. Animal and Plant Health Agency must be advised of the arrival of the consignment in Scotland. [APHA.Scotland@apha.gsi.gov.uk](mailto:APHA.Scotland@apha.gsi.gov.uk) or (Tel: 03000 600711).
5. The consignment, or its packaging, must not be allowed to come into contact with any ruminating animals, swine, poultry or horses.
6. Immediately on arrival, all outer packaging shall be disinfected, autoclaved or incinerated.
7. **None of the material to which this authorisation relates shall be used for human consumption under any circumstances.**
8. On completion of the testing any residues of the material and the remainder of the packaging shall be disposed of in accordance with the Animal By-Products (Enforcement) (Scotland) Regulations 2013.
9. The products must be made available, if so required for inspection by an Officer of the Department or one of its agencies at any place nominated by him for such an inspection. The importer shall afford all assistance necessary to such an officer to enable him to carry out the inspection in such a manner as he shall determine and the importer shall be responsible for meeting any costs of carrying out such an inspection.
10. All packages must be clearly labelled and marked "Importation authorised by licence number TARP(S)2019/41 issued under the Trade in Animals and Related Products (Scotland) Regulations 2012.
11. The material is to be used for 'in-vitro' studies only.

## Notes

1. This is not a Department for Business, Enterprise & Regulatory Reform licence and gives no exemption from any prohibition, regulation or restriction imposed by the BERR.
2. When expired or exhausted this authorisation is to be returned to the address below.

3. Please note that while this authorisation was current at the time of its issue, conditions can be subject to frequent change and importers are advised to check the latest position with International Animal Health, (Imports Policy Branch) (see below).

**Caution**

- It is the importer's responsibility to ensure that any import covered by this authorisation complies with the terms and conditions as set out.
- Any breach of any conditions attached to this authorisation will constitute an offence against the Trade in Animals and Related Products (Scotland) Regulations 2012.
